Logical and organized individual with a strong foundation in software engineering. Proficient in JavaScript, c, python, and HTML. Seeking to raise coding KPIs by providing error-free codes. Ability to translate business requirements into innovative software solutions. Excellent teamwork, interpersonal and communication skills. Looking to start a career as an entry-level trainee.

EXPERIENCE

JULY 2021 – DATE

SOFTWARE PROGRAMMING TRAINEE, JIFTEK DIGITAL SOLUTIONS LIMITED
IKORODU LAGOS STATE.

Am into software programming training with Jiftek Digital Solutions and also improve my skill more at w3schools and purple.com and have recently acquired fundamentals of computer science(CS50) certificate from Harvard University online self-paced course.

FEBRUARY 2021 – JULY 2021

COMPUTER TEACHER, BRIGHT SCHOLARS SCHOOLS LOKOTYIE NASARAWA.

I had the opportunity to teach computer science in a primary school in the locality.

EDUCATION

SEPTEMBER 2020

O LEVEL GRADUATE, ST. JOSEPH SECONDARY SCHOOL.

SEPTEMBER 2021

MINI-DEGREE, HARVARD UNIVERSITY.

I passed the cs50 final project of implementing a website and also aced other exercises with more than 80%. This course improved my skill in python, JavaScript, SQL, and some basics of c programming, HTML, and CSS.

SKILLS

- I implemented a landing page website that has scroll reveal using JavaScript, HTML, and CSS
- I also have intermediate knowledge of SQL and python.
- Software Testing and Debugging
- I have a fundamental skill in cloud computing.
- And also in scratch game programming.
- Problem Solving and Logical Thinking.

ACTIVITIES

I am currently improving my JavaScript skill at the w3shools and also **learning basic code, writing simple code, and debugging existing software.**
